VaporFi 2014 Gift Guide

Gifts for Every Budget

Holiday shopping for the vapers in your life, but stumped on where to start? Well, look no further because we've got everything you need! Whether you're shopping for a seasoned vaping pro, or a cigarette smoker in your life who you'd like to introduce to the world of vaping, we have it all. Shopping on a budget? No worries, we have gift ideas for \$50 or less. From basic e-cigs to the most advanced mods on the market, to accessories and the always-exciting VaporFi gift cards, we have the best solutions for every vaper.

Express Starter Kit

THE BEGINNER.

Trying to get an old schooler to make the switch? This traditional cigarette lookalike is the optimal introductory e-cig for the smoker who is curious about vaping. If they already vape with basic models but could use a top quality upgrade, this is the way to go. This kit provides a standard and high-capacity battery that gives the user the option to vape with refillable cartridges and pre-filled ones.

Here's what's included

- 1 Standard Express Battery
- 1 High-Capacity Express Battery
- 1 Wall Charging Adapter
- 1 USB Charger
- 1 User Manual
- 1 Membership Card

price: \$29.99

Air Starter Kit

THE NOVICE VAPER

This for the seasoned beginner who wants to give advanced vaporizer models a go, or someone who needs a basic vaporizer for their collection. Available in black or white, this is usually popular among women who need a vape to fit perfectly in their clutch. But don't be fooled, this little baby packs a punch.

Here's what's included

- 1 350 mAh Battery
- 1 Replaceable Air Cartomizer
- 1 Mouthpiece
- 1 USB Charging Cable
- 1 Wall Charging Adapter
- 1 User Manual

price: \$39.99

Pro Starter Kit

THE EXCITED NOVICE

One of our most popular models, this starter kit is the perfect gift for someone who could benefit from a superior advanced vape, with a lot of power, nice features, and fun colors. Different color tanks and batteries can be mixed and matched to mirror their mood, favorite team colors or compliment their favorite outfit. Beginners to experts love this vaporizer!

Here's what's included

- 1 650 mAh or 1000 mAh, 3.7 Volt Battery
- 1 Pro-L or Pro-XL Cartomizer With Atomizer
- 1 USB Charging Cable or 1 USB Pro Variable Charger
- 1 Wall Charging Adapter
- Instructions

price: \$49.99

Platinum Pro Starter Kit

THE ADVANCED GEEK

An even more advanced version of the Pro setup, this is the perfect gift for anyone you know who is already a fan of the original Pro, and would be tickled with an updated, more dynamic version. Innovation at its finest! This stainless steel beauty is another favorite among the Vape Community.

Here's what's included

- 1 650 mAh or 1000 mAh, 3.7 Volt Battery
- 1 Pro-L or Pro-XL Cartomizer With Atomizer
- 1 USB Charging Cable or 1 USB Pro Variable Charger
- 1 Wall Charging Adapter
- Instructions

price: \$59.99

Rebel II Starter Kit

THE BONAFAIDE VAPE GEEK

Adjustable watts from 3w-6w, built in 3 digit display, 510 and ego thread compatible; this is designed for vapers who accept only the best! If you're shopping for someone who likes things very advanced, very powerful, and does not mess around with basic vapes, this is the perfect gift. You'll make their eyes light up like a Christmas tree when they unwrap this baby!

Here's what's included

- 1 Telescopic Variable Voltage Vaporizer
- 1 Rechargeable High Capacity Battery
- 1 Rechargeable Standard Capacity Battery
- 1 Rebel Tank Clearomizer with dual coil and juice flow control atomizer head
- 1 Wall Charger
- 1 User Manual

price: \$179.99

Rocket Starter Kit

THE VAPE (ADRENALINE) JUNKIE

For the vaper who could use something multi-purpose and totally powerful, the Rocket will light their smoke-free fire! It has a 1600 mAh variable voltage battery and adjustable air flow control, all available in a selection of two different yet stunning finishes. It's very powerful, and it really lives up to its name, so get this for the vaper who likes a thrill!

Here's what's included

- 1 1600 mAh Rocket Variable Battery
- 1 Rocket Tank with Airflow Control
- 1 USB Charging Cable
- 1 Wall Charging Adaptor
- 5 Atomizers
- 1 User Manual

price: \$119.99

Vox 50 Starter Kit

THE SERIOUS VAPE ENTHUSIAST

The VOX 50 was made for only the most discerning of vaping connoisseurs. This kit combo will create a vaping nirvana. This is the perfect device for anyone wanting to build their own vape experience. The VOD 50 MOD powers up to a whopping 50 watts and the DIY Bolt RDA is the perfect component. This pocket-sized device has adjustable air flow, a digital screen, 510 threading with an adjustable pin, vented battery casing, the features are endless.

Here's what's included

- 1 VOX 50 MOD
- 1 High-Capacity 30A 2100mah Battery
- 1 Bolt RDA
- 4 Additional o-rings
- 1 10' 30 g Kanthal wire
- 1 Screw driver
- 3 Screws
- 1 Drip tip

price: \$249.99

Stocking Stuffers

FOR EVERY VAPER

Accessories and e-liquid make bangin' stocking stuffers! Extra chargers, storage cases, and tanks that can function between different vaporizers such as the Clear Tank, Platinum Tank, or the Titanium Tank make really dope gifts if you want to upgrade their vape or simply give them more tanks to store different flavors of e-liquid. When you want to add a little something extra, or have no clue what to get the vapers in your life, you seriously can't go wrong with VaporFi gift cards! It's a gift that goes extremely far, and is oh-so useful!
